1. The earth and the fullness thereof, belong to the Lord.
2. The earth and the fullness herein, belong to the Lord.
3. The earth and all my people belong to me; yea, thus sayeth the Lord, I am come for my people. I am come for their hearts, the hearts of my people; the people that I care about so strongly, so deeply; yea that I fashioned and I formed after me in my own image, yea in my own image, after me in my own image.
4. See what I am saying.
5. I am coming for those who in my own image are; and those who have conformed themselves to the shape and the fashion of this world with values/thoughts and ideals of not-me, I come not for, I come not unto; I unite not with/in the fullness of my altogether lovely; power, might and authority. Yea, watch me.
6. See what I have said. See my mind, see my heart; see what I will come for, what I will come in; and yea who I have already come to.
7. Think it not strange who comes to me and who refuses me; refuses my values, yea my shape/fashion and form; even being made in my form and fashion, and yea having even come from me and through me. But so many receive me and will receive the message of my fullness that I give, that I am giving, that I have given you, and yea will let me do/be so much more, ever so much more, so very much more; unlimitedship of only me. I love you. I give you me; arms outstretched, eyes wide open. I give you me.
8. I bow before you, before the cross, the cross in you; the cross in you, the cross that stands, the cross you receive; your mission cup'd, the cup of your mission; the cup of your suffering, the cup of your death; yea the cup of your resurrection awaiting all now; now, now, not later; **not waiting upon my return for I have returned**, I am come, I have come. I have come that you might have life and have it more abundantly, and have it now, yea more today. Yea unite with me and behold me, receive me, receive my fullness. Receive all that I am and limit me not; unlimited me-ship, infinite one-ship, yea all through meekership-leadership which is receivership of me. Into me see; receiving me/becoming me.
9. I walk the earth today but so few see me; so few are looking for my appearing; so many speak of a grandiose event so far away; that I will come and rescue them, and all their problems will be solved; when yea I command them, I cause them, I compel them, I crown them to rule and reign in my kingdom; my kingdom now here on the earth; through their problems, abasing many problems, avoiding many problems, healing many

problems; healing many problems, and walking simply with me, through many problems; yea even now today, today, this year, this moment.

10. I am come; I am come that you might have life and have it more abundantly, today, today, today.

11. My kingdom is not of this world.

12. My kingdom is within.

13. The kingdom of heaven is upon you.

14. The kingdom of heaven is near.

15. The kingdom of heaven is inside you.

16. My kingdom is not of this world, but this world and all of its contents belong to me, for the healing of the nations.

17. My word comes.

18. My word stands.

19. I am come.

20. Compel them with my love; letting them see my love and meekness know; seeing meekness is not weakness; and yea that the earth and the fullness thereof, belong to me; to me and only me.

21. My cataclysmic'd ones who run to and fro so frenetic, I wait; I wait; I wait for them to abide in me so that I can abide in them; that my words will abide in them; that my words will abide in them to allow me to become them in the me-ship that I offer, that I present, that I so desire.

22. Globe-walkers/globe-makers.

23. Watch me.

24. Hanging the planets in space.

25. Was I there?

26. I was there. I am.

27. Were you in my loins?

28. I was there. Where were you?

29. You were there.

30. Watch me.

31. Watch me reveal the revelation of my time-lines in which time is not, and time does not exist. Yea, watch me.

32. Come into me with the abstract not; not abstracting or extracting or extrapolating, but yea erudite of only me; not in your wisdom, totally my wisdom; receiving me/a part of me not; the fullness thereof, of which I am, of which you are, yea revealed; and evermore/forevermore changing the earth in the fullness thereof, yea to me/for me/ in me; to each other, for my body; the fullness of my father, yea my father's footstool, yea me/mine, yea ours. Behold me.

33. Behold what I have said, and what I will continue to reveal; and revel in the receiving of my revelation; my revelations many/multifaceted, yea and unchanging but

ever-expanding/never ending constant fluidity in motion; world-without-end not, not; not as you know it; for it will end; time/times and season so close at hand.
34. My hand moves, my mouth speaks; and yea I receive my mighty many into where I am, there I am; there in my kingdom, there inside them, and yea in the world, the fullness, thereof; yea my me, becoming me, receiving me, being me, being my fullness of the Godhead bodily, yea without charm/magnetism or particles of not-me. I love you. I recombine as I revelate.
35. Watch me.
36. Watch shores shift, and yea collide.
37. Watch me.
38. Those so prepared; so unready.
39. Watch me.
40. My shifting patterns and patterns that will shift and shake; my patterns that will sift and shake; my patterns that will diminish and destroy.
41. Yea ready for me be at all times, receiving my receiver-ship; being my stewardship; stewarding my all-togethership; thinking it not strange.
42. Do you see? Do you see how I come?
43. Do you see how I call?
44. Do you hear me? Do you hear my voice in these words?
45. Do you think me strange? Do you think these words garbled; message reversed or inverted or introverted discombobulated convolution; or can you see me, can you hear me, can you feel me?
46. Can you look through the diction uncommon, the grammar-of-not-everyday, and see me? Can you see where I lie? Can you lay with me?
47. Will you see my words, feel my word, hear my word, become my word?
48. Will you?
49. You are my flesh and my body; and yes, my blood: one blood, one family.
50. Yea I am my father and my father is me. Yea behold me.
51. The steeds mount upon the steeds of only me; the plates shift, but leave, they do.
52. I am not afraid; and I appreciate your decision to reveal me to the fullest, and not withstand in your logic or mind or intellect; but to walk in the fullness of me, revealing my every thought and motive; yea some revelating into my revelators who will revel, yea in my cross/their cross, their cross/my cross, yea having come in/been there with me; shared in the fellowship of my sufferings, yea as you did/as you do/as you will more; seeking not fame or glory but contact with only me, yea so much more than just contact or contract, but covenant; knowing my heart, feeling me, receiving my fullness, being my fullness. Thank you each one.
53. I love you and I give you me. I give you heart-song/heart-dance of only me.
54. Into me see; see what I have said; my heart this day; my month which clears and clarifies, calls and compels, defined and declares, and yea, decisions of many. I love you.

55. Come, call, and create more; more; defining/refining/causing chain reactions of me, yea by the utterances of your mouth, the creation of your heart; yea my release of combinations of only me, as you speak me; my way/my word/my will, yea my world; my kingdom coming into so many upon the earth; aligning their lives with mine. I love you.
56. Think it not strange now who comes and how I finance them; their arrival; their protection; their escort of me; sustenance of warrior-ability arising/refining/lead by me and only me; my heart seeing.
57. I come and I give you the word of my mouth, the word of my heart, my seal and insignia; yielded you are/yielding more. Thank you.
58. I come and I delay not. I perform my word. My coffers are full and overflowing. There is no lack in my body; none. Proclaim/review my words on no-lack-in-my-body; and recombine into one document to declare, to decree, to banner forth; yea publishers come, awaiting the word of my mouth to be spoken. Watch me.
59. Watch me declare and decree: the earth is mine, and the fullness thereof; and no man or force can withstand my power which changes nations; puts up and puts down; rearranges; elevates and abases; collides; compromises notwithstanding, compromises not standing, compromise, none; my non-negotiables: holy.
60. Across my globe you go now and never stop; revealing me/revelating my word; my words at 30,000 feet; 36,000 feet, and yea miles beyond.
61. Watch me.
62. Infinitely coming into the infinite to receive me; preparing the way of the Lord; making his path straight; revealing his heart, yea mine; yea laying forth the palm branches; assembling the multitudes.
63. Watch me.
64. Think it not strange how I perform my word/my oaths before you/through you this day/this night.
65. I am me, all is ready, all comes; the banquet is; I am ready. Are you? I call your name, extend my hand; the way is made. Come into me for that which I have called you unto; you, you who know who you are. Come unto me, walk with me, reveal me in fullness. I love you.
66. Goodnight.
67. Good standing.
68. All is well; the crack of dawn, so close; minutes/moments/nanoseconds; tibulary/tibular of only me. I love you.
69. I give you me; random, not. I love you, and I thank you. Amen.
